### Certificate of Compliance

Part Name/#: 1250 BLACK Ink

PO #: REPLACEMENT

- 1) All materials and parts were procured from a qualified buyer or approved source for the production of such parts or materials from which seller has available for examination, evidence, including chemical and physical test reports, to assure conformance to all the applicable specifications.
- 2) All materials and parts were tested and inspected to assure conformance to all application drawings and specifications.
- 3) The ink listed above conforms to FED STD 595C Color #37038 and the performance requirements listed in government specifications A-A-00208D Type I and IV Class B on the condition that due care is given to application operation. All inks must be shaken well on a regular basis to preserve the integrity of the mixture.

Batch/Lot #: 80718S1C
